Thank you for requesting an upgrade of your current Wowza Pro Software license to a Wowza Media Server 2 Software license. We are willing to provide this exchange according to the terms of this Form and your payment of any additional license fee, if required. Please be advised that you must delete all copies of the Wowza Pro Software and corresponding license key(s) from your server, computers and other media on which they are installed, stored or archived. You must take whatever measures are necessary to destroy all copies of the Wowza Pro Software and corresponding license key(s), and dispose of the media in an appropriate manner.
