

SOLUTION BRIEF

Corporate Streaming Solutions

Improve Collaboration Across Your Globally Dispersed Workforce

From executive communications to employee training, live video streaming has become second nature in today's corporate settings. Enterprises rely on Wowza to keep employees connected with flexible streaming infrastructure that supports multidevice compatibility and secure content delivery across the globe.

Use Cases

- Corporate Meetings
- Conferences
- Events
- Training and Development
- Earnings Calls

MORE THAN
60%

of the organizations listed on the Gartner Enterprise Video Management Magic Quadrant are powered by or partner with Wowza.

“Wowza has allowed us to provide a robust and dependable live and on-demand content streaming experience to our customers. Their technology helped us solve challenges like multi-device and platform support, low-latency delivery, smooth and reliable playback, live-stream recording, and high availability.”

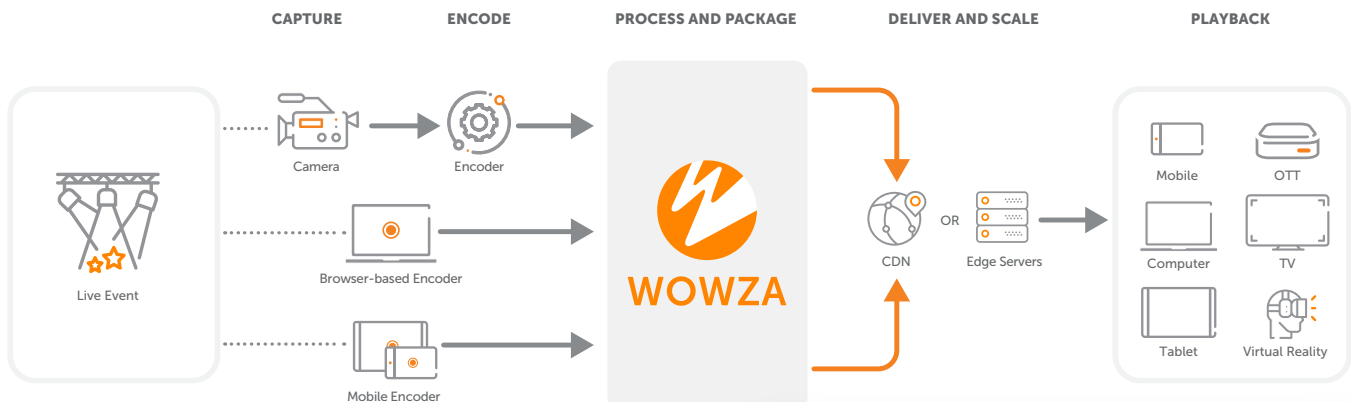

— Nadeem Khan, CEO, VIDIZMO

Trusted Brands Trust Us
